

May 2019

Dear Parent/Carer

In order to support students with the run up to exams we are running a number of different revision sessions during each holiday. We encourage all students to attend as this will give them some timely reminders and offer them additional teacher contact and resources.

Please encourage your son/daughter to attend. At Outwood Academy Carlton we have found that students who attend after school or holiday interventions achieve higher final grades than similarly able students who do not.

Thank you for your support.

If you would like to discuss this further please contact me at the academy.

Thank you

M.Colledge-Smith

✂

**Outwood Academy Carlton – Please return to Mrs Colledge-Smith via Student Reception.**

Name of Student..... VMG .....

I give permission for my son/daughter to take part in the following Revision sessions:
