

November 2023

Dear Parent/Carer

Road safety is part of our Personal Development curriculum and we have recently delivered assemblies to all year groups about this, which is particularly pertinent now that it is darker much earlier. We reminded students about the importance of wearing clothing that makes them visible when walking in the dark, and also bike safety.

Following some recent conversations with residents who live within close proximity to the school, I write to you to ask that you remind your child/children about road safety.

Residents have concerns over children crossing the roads near to school unsafely, which is especially problematic when cars have been parked on grass verges or double parked, restricting the view of pedestrians, including any children, crossing. We also ask that, if you collect your child/children from school in a vehicle, you consider all road users when parking near to school, to ensure that everyone is safe.

Yours sincerely,

Mr Paul Taylor
Principal
