

10th March 2024

Dear parent/carer,

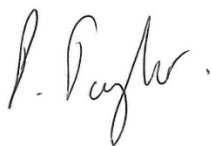

As we approach the summer exam series for Y11, we are increasing the number of opportunities for students to engage in structured revision delivered by familiar subject specialists. Our staff will be offering their time during the Easter holidays to support students to begin preparations for their final exams.

We have shared these plans with all students and we would appreciate your support in encouraging your son/daughter to attend. As additional incentives for students, we will be offering **double points towards Passport to Prom** and consequently increasing the likelihood of students becoming eligible for the Prom this summer. Furthermore, we have arranged for a number of **fun activities to break up the intensive revision**. These include interactive fairground experiences, gaming buses and driving lessons. We are really excited to see students join us for this intensive revision and engaging reward.

The dates and times are detailed below. It is important that students return the reply slip, indicating which sessions they intend to attend. This will ensure we can cater for the right amount of students.

I would like to thank you for your continued support and assure you that we remain committed to providing the most comprehensive and engaging revision package for our students, in the lead up to the summer exams.

Yours faithfully

Mr P Taylor  
Principal

Name of Student:

.....

I give permission for my son/daughter to take part in the following GCSE revisions (**please complete the attending column**):

**Students should return the slips to student reception.**

<b>Date</b>	<b>Subject</b>	<b>Time</b>	<b>Location</b>	<b>Attending (Y/N)</b>
