

20 March 2024

Dear Parent/Carer,

We are writing to invite you to attend our upcoming Year 11 Revision Festival, which will be held on Tuesday 16 April 2024 from 3pm-4:45pm.

The reason for the evening is to share with you some important information about how best to prepare your son/daughter for their upcoming GCSE exams. All subject teachers will be providing revision materials, advice and guidance about how to revise effectively and prepare thoroughly so they can achieve the very best grades in their May/June exams.

If you are unable to attend, please still encourage your son/daughter to come along to receive this information and their important revision materials. This is an excellent opportunity to ensure that you are in a really strong position to support your child throughout Year 11 and into their exams in the summer.

Please complete the form below and return this to Student Reception by Monday 8 April 2024. We look forward to seeing you there.

Yours faithfully

Paul Taylor  
Principal

.....  
Please return slip to Student Reception

My child ..... will be attending the  
Revision Festival on Tuesday 16 April 2024.

There will be ..... accompanying adults.
