

April 2022

Dear Parent / Carer,

Thank you if you completed the survey that we sent to you in February. Your responses tell us what your thoughts are about Outwood Academy Carlton and help us to make the academy a better place for all of us.

We have made a number of changes as a direct result of the survey responses, which include:

- Some of you stated that you wanted to see teachers in person at Parents' Evenings, so we have reintroduced face-to-face Parents' Evenings and our intention is to alternate these with virtual evenings.
- Those of you who have children in Year 7 and 8 said that you had never had an opportunity to visit the academy and see where your children spend each day. Although we intend to resurrect our Open Evening at the start of next year, this is aimed at prospective parents/carers. We therefore intend to hold a separate evening in September/October where you will be able to come and look around the academy with your child, should you wish to do so.
- Some of you stated that you were unsure of how to contact the academy. I hope that this infographic will make things clearer. <https://docs.google.com/presentation/d/1LCMIgPgt9pfcCJ9SpzthIA4G2U-4dttZ20mo-Fpdmcd/edit?usp=sharing>

Thank you for your ongoing support.

Yours faithfully,

Paul Haynes
Principal
