

19 September 2023

Dear Parent/Carer,

I am writing to invite you to attend our upcoming Year 11 Maths / English / Science Revision Parent Information Evening, which will be held on Tuesday 3 October 2023.

The reason for the evening is to share with you some important information about the Maths, English and Science courses, including key dates and course requirements, to inform you of the support available in school and to explain what your son/daughter can do at home between now and their GCSE exams in May/June next year.

There will also be information about revision techniques and strategies so you can support your son/daughter.

The evening will run as follows:

- 5.00pm – Food (pizza, garlic bread and chips) and drinks will be served in the canteen.
- 5.30pm – Presentations from the Heads of Maths, English and Science and our Deep Learning Lead
- 6.15pm – Revision resources handed out

Due to capacity, places will be limited to one parent per student.

	Surname starting with A-M	Surname starting with N-Z
Session 1 -Lecture Theatre	Introduction from Principal Revision Techniques	Success in English / Maths / Science
Session 2 -Performance Area	Success in English / Maths / Science	Introduction from Principal Revision Techniques

This is an excellent opportunity to ensure that you are in a really strong position to support your son/daughter throughout Year 11 and into their exams in the Summer.

Yours sincerely

Mr P Taylor
Principal
