

26 October 2023

Dear Parent/Carer,

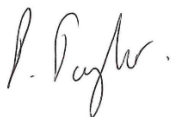

I am writing to you on behalf of all the staff at Outwood Academy Carlton to extend our thanks for your support this half term. Your children have returned to education following the summer break and have fully engaged with learning, and we have seen a real focus on their desire to do well.

This half term we have issued a record number of praise points, this figure has exceeded twenty thousand and we are so proud of their effort. We celebrated this with students this week in our year group 'Praising Stars' events. We were genuinely delighted to see such care and reflection in students when they received their envelopes.

There has been much to celebrate this half term with record numbers of Y11 students attending after school sessions and demonstrating a clear commitment to doing well in their mock and summer GCSE exams. In addition to this, our enrichment offer has seen record attendance and we have delivered something for everyone this half term.

Finally, I would like to wish you a restful half term with your families and I look forward to working with you and your children again after half term.

Yours sincerely

Paul Taylor
Principal
