

HeppSY Learner Survey

Outwood Academy Carlton receives funding from the Higher Education Progression Partnership and, as in previous years, HeppSY is asking for your support in asking students to complete the National Learner Survey. The survey is an important part of evaluating the national impact of funding. This year the student survey includes questions about their future study plans and career prospects given the pandemic.

The survey will be live for learners until **Friday December 17th** via this link:

bit.ly/HeppSYSurvey

We are asking all learners in **Y9 and above to take TEN MINUTES to complete the survey.**

Prizes! HeppSY is pleased to include a prize draw for those students who complete the survey **in full**. These students will be entered into a prize draw to win one of 200 £10 Amazon gift vouchers and four I-Pads are available (two students and two centres who complete the most surveys).
